RE: Requirements for Payment of Services Provided by Physicians

This policy transmittal issues the Department of Social Services' revised regulations for the Requirements for Payment of Services Provided by Physicians. The regulations amend the current regulations by adding provisions that allow DSS to pay for the services of a physician assistant, working in conjunction with a physician in accordance with their scope of practice, as outlined in Connecticut General Statutes and to enroll physician assistants as performing providers. At the same time the Department is making a number of technical corrections and clarifications to the regulations.

The regulations are posted on the www.ctdssmap.com Web site. Go to Publications>Provider Manuals>Chapter 7. Choose "Physician" from the drop down box.

Posting Instructions: Policy transmittals can be downloaded from the CMAP Web site at www.ctdssmap.com.

Distribution: This policy transmittal is being distributed to holders of the Connecticut Medical Assistance Program Provider Manual by HP Enterprise Systems.

Responsible Unit: DSS, Division of Health Services, Medical Policy and Regulations, Nina Holmes, at (860) 424-5486.
