

Join us in **New London, CT** for an Evening Meeting!

Thursday, December 7, 2017
5:00 - 8:30pm, (with dinner)

Port N Starboard Ocean Front Banquet Center
1225 Ocean Avenue, New London, CT

What is SCOPE of Pain?

SCOPE of Pain is designed to help you safely and effectively manage patients with chronic pain, when appropriate, with opioid analgesics. This meeting includes essential clinical content on opioid prescribing as well as state-specific information, including a policy and resource panel with representatives from State and local agencies.

SCOPE of Pain New London is provided by Boston University School of Medicine, with local partners Ledge Light Health District, The Connecticut Opioid REsponse Initiative, and Yale School of Medicine. National collaborators include the Council of Medical Specialty Societies and the Federation of State Medical Boards.

Why offer this training?

The FDA has mandated manufacturers of extended release/long-acting (ER/LA) opioid analgesics, as part of a comprehensive Risk Evaluation and Mitigation Strategy (REMS), to make available comprehensive prescriber education in the safe use of these medications. Our training is based on the FDA curriculum known as the Blueprint for Prescriber Education for Extended Release and Long-Acting Opioid (ER/LA) Analgesics. Our curriculum covers all aspects of this blueprint and more to provide a comprehensive educational program.

Faculty

William Becker, MD

Assistant Professor, Yale University School of Medicine

Daniel G. Tobin, MD, FACP

Associate Professor, Yale University School of Medicine
Medical Director, Yale Primary Care

Course Director

Daniel P. Alford, MD, MPH, FACP, FASAM

Professor of Medicine
Boston University School of Medicine

Yale SCHOOL OF MEDICINE

Educational Objectives

At the completion of this education activity, you should be able to:

- Employ appropriate assessment, monitoring and documentation strategies to meet best practice standards and medico-legal requirements when treating patients with chronic opioid therapy (COT)
- Apply a practical framework for decision-making on the initiation, dosage modification, and discontinuation of opioid analgesics in the treatment of chronic pain
- Employ consistent practice tools to adequately assess risk in patients being considered for COT and to effectively manage COT
- Confidently counsel patients and caregivers about the safe use of opioid medications and communicate about the need for close monitoring
- Effectively communicate with patients whom you suspect may be misusing opioid analgesics
- Demonstrate increased understanding of general- and product-specific information of ER/LA opioid analgesics

Disclosure of Support

This educational activity is supported by an independent educational grant from the Extended-Release/Long-Acting Opioid Analgesic REMS Program Companies. Please see http://ce.er-la-opioidrems.com/lwgCEUI/rems/pdf/List_of_RPC_Companies.pdf for a listing of REMS Program Companies. This activity is intended to be fully compliant with the Extended-Release/Long-Acting Opioid Analgesics REMS education requirements issued by the US Food & Drug Administration.

Accreditation

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine with local partners Ledge Light Health District, The Connecticut Opioid REsponse Initiative, and Yale School of Medicine. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Boston University School of Medicine designates this live activity for a maximum of *3.00 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Continuing Nursing Education Provider Unit, Boston University School of Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. CNE Contact Hours: 3.00, all of which is pharmacology credit-worthy

AAFP

This Live activity, SCOPE of Pain: Safe & Competent Opioid Prescribing Education, from 11/14/2016 - 11/13/2017, has been reviewed and is acceptable for up to 2.00 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Part II

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn 2 MOC points and patient safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
