

Manage your way to a healthier you by knowing your numbers!

When you know your numbers, you can work with your doctor to adjust your diet, exercise, and any medications.

Need help finding a doctor or scheduling an appointment? Member Engagement Services is here to help! Please call us at 1.800.859.9889, Monday through Friday 8:00 a.m. to 6:00 p.m. If you are deaf or hard of hearing, please call 711.

Use your numbers to talk with your doctor about any health risks you may have.

Do you need to make any changes to your lifestyle or medications? Should you keep doing what you're doing?

Know Your Numbers for a Healthier You!

Always know your numbers so you can be as healthy as you can be.

Keep track

of your numbers and bring this card with you so you can talk to your doctor about when you should have them rechecked.

Cut along this line, then fold along the red lines to fit in your wallet.
