RE: Update Concerning Prior Authorization (PA) Requests for Repairs to Prosthetics

This purpose of this bulletin is to clarify recent guidance provided in Provider Bulletin 2012-09/Policy Transmittal 2012-03 issued March 2012, "Updated MEDS Fee Schedule and Reimbursement" under "Prior Authorization" (PA). The Department of Social Services (DSS) is **not** adding PA for **repairs** to prosthetic procedure codes ranging from L5000 through L7499 with the exception of the four miscellaneous codes that are not priced by Medicare, L5999, L6715, L6880 and L7499.

Please note that all **purchases** for prosthetics procedure codes ranging from L5000 through L7499 will require PA.
